This competition is to be played on a knock-out basis over two legs (Home and Away). 2 points will be awarded for each discipline won and 1 point will be awarded for a draw. The overall shot difference will determine the winners if the points are equal. In the event of a tie on points and shots the Fours Team will play an extra end to reach a winner. All games will consist of 10 ends. Games maybe played in any order, but in the second leg the Fours Team should be arranged to finish last in case an extra end is required. All players must be registered with the club they represent from 1st October of the season in question. All matches at club level are to be arranged between the nominated club contacts and must be completed by the advised play by dates.

TEAMS WILL CONSIST OF: -
